Creditworthiness Check

In order to offer you a purchase on account, we have to protect you and us against misuse. Therefore, we submit the personal data required for a credit check, including your address data, to our credit bureaus (Schufa and Creditreform), which make an appropriate valuation based on mathematical-statistical procedures. We use the statistical probability of payment default received for a balanced decision whether to offer you a purchase on account or not.

According to §26 Bundesdatenschutzgesetz we are acknowledging that all relevant data related to customer account creation and contract relationship will be stored. We are acknowledging the general terms and conditions of delivery and payment in actual and future contract relationship.
